

QUICK & EASY LOGO DESIGN PROPOSAL

OVERVIEW

This package is for people looking for a professional functional logo at an affordable price. It is best if you are looking for a logo that will give you maximum effect in only a couple of places, such as at the top of your web page, on a sign or as your social media profile (if you are looking for a logo that will serve multiple purposes across multiple platforms, check out my comprehensive or single-concept logo design packages.)

RESEARCH

You will receive a logo prep sheet to help organize your thoughts and vision for your logo. This prep sheet will include a space for preferred colors, imagery and samples of logos for inspiration.

DESIGN & DEVELOPMENT

You will receive 1 preliminary design for review. Based on your feedback I will make 1 comprehensive design that you will receive to review. After I receive your feedback, I will create the final design, prepare the files and deliver the following in all necessary digital and print formats:

DELIVERABLES

- 1 full-color primary logo
- 1 single-color primary logo

POST PROJECT

Once you begin using your logo I will continue to be there for support, questions and to supply addition formats if necessary.

PRICING

Starting at \$400

PAYMENT SCHEDULE

Payment will be invoiced through paypal and due upon receipt on scheduled project completion date.
